The California Department of Education is pleased to present the *Education Leaders Package*. School administrators and leaders will appreciate the convenience and value of having easy access to a selected library of California's frameworks and content standards, now available on a CD-ROM.

Adopted by the State Board of Education, curriculum frameworks are the blueprints for implementing California's content standards. The *Education Leaders* CD-ROM includes frameworks for reading-language arts, mathematics, history–social science, science, health, and foreign language. The disk also includes the content standards for visual and performing arts.

To complete your *Education Leaders Package* order, you have the option to receive desk copies of all publications featured on the CD-ROM. This special offer gives school professionals the benefit of having the complete frameworks package, CD-ROM and books, at low cost.
